#INNOVATIONwithoutlimits

VBH leads the way with our suited window and door furniture range, known as The greenteQ Suite.

The greenteQ Suite is designed in the UK, specifically for the UK and Irish markets.

The Suite covers furniture for windows (including casements, tilt & turns, reversibles and pivots), residential doors and patio doors (bi-folds, inline sliders and lift/slides). This wide range allows manufacturers and installers to match furniture colours and styles across the whole installation, providing a **Full House** solution.

'Innovation without limits' is more than just a hash tag. It confirms our focus and direction.

Our UK based New Product Development team is constantly listening to the market, bringing through a stream of innovative new products to keep VBH customers ahead of their competitors in their markets.

greenteQ & architeQ Guarantee

greenteQ suited furniture is guaranteed for a MINIMUM of 20 years. The surface guarantee extends to ALL colours, including plated finishes. greenteQ furniture is so durable thanks to our 6 layer coating process. For installations in particularly aggressive environments, such as coastal or industrial, we offer the architeQ Coastline range of stainless steel door furniture. Coastline products are supplied with a 25 year surface finish guarantee!

Online ordering at VBH24

All greenteQ products can be ordered 24/7 via our VBH24 customer portal. Just go to www.vbhgb24.com and drop your items in your cart. Alternatively, order with our award winning customer service team during normal office hours.

Email them at customerservice@vbhgb.com or give them a call.
